

## Neiman Marcus Exclusive Offering with HALL Wines

**HALL ARTISAN WINE AND ART EXPERIENCE.** When Kathryn and Craig Hall do something, they do it right. With his experience as a financial entrepreneur and hers from a California winemaking family, they have spent the past 15 years achieving greatness in Cabernet Sauvignons. On six California wine country estates, they have perfected precision winemaking using artisan standards, small vine viticulture and Earth-friendly practices. For those uber-deserving wine and art aficionados, we offer a unique immersion into the art of great winemaking.
