

2006 HALL “SEGASSIA VINEYARD” MOUNT VEEDER CABERNET SAUVIGNON

The 2006 vintage marks our inaugural offering of HALL “Segassia Vineyard” Mount Veeder Cabernet Sauvignon. We are thrilled to partner with a quality-driven winegrower in the prestigious Mount Veeder appellation. Mount Veeder, a 15,000-acre appellation with 1,000 acres planted to vines, is perched in the Mayacamas Mountains on the western edge of Napa Valley. This rugged volcanic terroir has steep slopes and thin soils, resulting in distinctive wines with signature wild berry and spice flavors, and intense muscular structure.

Our 2006 HALL “Segassia Vineyard” Mount Veeder Cabernet Sauvignon is inky blue-black with a symphony of aromas and flavors: exotic briar fruit, crème de cassis, mountain fruit compote, violets, anise seed and dark chocolate. A true powerhouse of a Cabernet Sauvignon, the wine will evolve for 15-20 years.
